

United Way of Southern Illinois will be tracking the number of volunteer hours donated by local participants at United Way Campaign Special Events. This will be another way to show your communities how much you do for them. It will also be something that you can share during the workplace campaigns in your area.

Each United Way Workplace Campaign is asked to furnish this information to the United Way office. You can mail to P. O. Box 1901, Marion, IL 62959, fax to 618-993-0140, or email to linda@uwsihelps.org . Please fill out the following table with information about your volunteer hours:
